

# Bus Station Project

MAP

MARAM & ALAA PROJECT

By: Maram Mohamed Ghazal 5467

Alaa Abdelmajied 5591

## Work Distribution:

We distributed the work by classes, but we worked together in modifying each class.

### **Maram**

### **Alaa**

<b>Logic</b>	Current History Trip Reader (Interface) Tickets Passenger <b>Validate</b>	File reader utils File writer utils Current trip reader History trip reader Trip reader Passenger reader <b>Validate</b> Driver reader

## Notes:

- Red coloured classes we distributed the work inside these classes between us.
- Files of database are inside the folder of the project.
- We used GitHub during our work to share the modification.
